

Coastline Community College
Military Program
 Associate in Arts (AA) Degree
 Major: American Studies

This interdisciplinary major is designed to provide students with an integrated understanding of American society, history, and culture. Students may select designated courses within the humanities, social sciences and fine arts disciplines. Since many of the major courses also satisfy the AA degree general education requirements, this major may be the quickest way to complete the degree for some servicemembers.

Courses denoted in **bold** are available online through Coastline's Military Program. Other course requirements may be met by coursework completed at another regionally accredited institution and ACE recommended credit.

Total Semester Hours Required: 18 SH

Select a minimum of 18 SH from at least 5 different disciplines (subjects).
