Dear Graduates and Prospective Graduates:

Congratulations on your success in achieving your Associate in Arts Degree. This accomplishment is not only a true indication of the time and dedication you have given to earn a college degree, but especially noteworthy because you have achieved this goal while also serving our nation. We commend your commitment to our country and your perseverance in attaining this significant achievement.

Graduates receiving an Associate in Arts degree are invited to participate in the graduation ceremony which will be held:

- ☞ Saturday, May 16, at 2:30 p.m.
- ☞ The Westin South Coast Plaza, Costa Mesa
- ☞ 686 Anton Blvd., Costa Mesa, California, 92626

Coastline Community College faculty and staff will lead the processional robed in full academic regalia.

Graduation Announcement cards will be made available to you from our website on April 20. You may access the card at <http://military.coastline.edu> and print as many copies as you may need to send to your family and friends letting them know of your success.

If you would like to attend the ceremony, please complete the Graduation Ceremony Attendance Form, at <https://www.coastline.edu/secure/military/studentForms/gradAttend/frmGradAttend.cfm> or you may print and fax the form below to (714) 241-6193 or scan and e-mail to afonseca@coastline.edu by **April 17, 2009**.

Upon receipt of your "Graduation Ceremony Attendance Form" you will be sent additional information as the graduation plans are confirmed.

Military graduates may dress in military attire for the ceremony (i.e. summer dress whites for sailors: modified blue for Marines: class A's for soldiers). However, if you wish to wear a cap and gown during the ceremony you may order online. The letter below provides further details.

Spring 2009 graduates will receive their diploma in the mail during the month of June, once degrees are conferred.

If you have further questions regarding graduation, please contact Angie Fonseca at afonseca@coastline.edu or call (714) 241-6164. Angie and I, as well as others from our military service team, congratulate you on your success and look forward to an opportunity to congratulate you in person.

Sincerely,

Joycelyn Groot, Director
Military-Student Services
