

Coastline Community College
Military Program
 Associate in Arts (AA) Degree
 Major: Human Services

This major prepares graduates to work in the expanding field of human services working with those in need of social service help. The major will enhance the individual's professional helping, counseling and intervention skills in dealing with the public. Servicemembers who work in the field of counseling and intervention will have military credit that will count toward this major.

Courses denoted in **bold** are available online through Coastline's Military Program. Other course requirements may be met by coursework completed at another regionally accredited institution and ACE recommended credit.
