Fax completed & signed form to 1-714-241-6324

Prior college experience is a prerequisite to enrolling in a Coastline Community College PocketEd Course. If a student has no prior college experience and cannot submit transcripts demonstrating successful completion of at least one college-level course, the student may request an enrollment waiver.

This waiver must be reviewed and signed by the student and their Commanding Officer/Officer-in-Charge and submitted to Coastline with their first registration.

On behalf of the student above, and after discussion with the student about the self-motivated skills needed to partake in a college course utilizing PocketPC delivery, I support this student's request to enroll in Coastline's PocketEd program.

I understand that my signature does not guarantee that the student will successfully complete the course, but rather that the student has demonstrated to me a clear understanding of the course requirements and demands as listed above.
