

**Coastline Community College**  
**Military Program**  
 Associate in Arts (AA) Degree  
 Major: Sociology

Sociology is the study of social life and focuses on the interaction between human groups and institutions and their influences on each other. Sociology ranges from the study of relationships in family units in the most primitive cultures to the research of large bureaucratic institutions in major industrialized nations. Sociology also studies more tangible measures of human behavior such as class or social status, social movements and criminal deviance.

Courses denoted in **bold** are available online through Coastline's Military Program. Other course requirements may be met by coursework completed at another regionally accredited institution and ACE recommended credits.
