

Coastline Community College
Military Program
Associate in Arts (AA) Degree
Major: Supervision and Management

The Supervision major consists of classes that will prepare an individual to have an understanding of sound supervisory skills, to help them succeed in their professional and personal business goals.

For students with applicable Rating/MOS credit, this major is available with a Professional Focus in Applied Marine Engineering, Aviation Technology, Computer Systems, Construction Technology, Counseling and Applied Psychology, Electrical Mechanical Technology, Food Service Management, Legal Assisting, Military Intelligence, or Oceanography Technology.

A Concentration in Supply Supervision and Management is designed for military supply specialist, such as the Army's 92A and 92Y MOSs

Courses denoted in **bold** are available online through Coastline's Military Program. Other course requirements may be met by coursework completed at another regionally accredited institution.
